## SUMMER CAMP 2017

June 19<sup>th</sup> to August 25<sup>th</sup>, 2017

Dear Parents,

The end of the school year is fast approaching and registration for our Summer Camp is now open. We have started to plan our activities for this summer which will include field trips and special events such as trips to the Audubon Society in Fairfield, visits from a magician, the Mad Science program, a puppet show and more ... Add to this two sprinkler days per week for water fun.

The Summer Camp program is covered under the School Readiness Grant. If you already receive funding from this grant and are interested in the summer program, a new application form must be filled out before **March 31<sup>st</sup>, 2017.**

After this date, SR grant spaces won't be guaranteed.

A School Readiness Grant release form must be signed if your child will not attend the summer program. Please stop by the office to sign release form. Thank you.
